

help us provide

EQUESTRIAN THERAPY

to people in need

Tauranga RDA provides equestrian therapy services to people in need within Bay of Plenty and Western Bay of Plenty, 27% of people within our community have some degree of disability. Our services are in great demand with a growing waiting list of 170 riders.

At Tauranga Riding for the Disabled we believe every person should be supported to live life to their full potential.

Help us provide riding therapy for more people in our community by dedicating your next sporting event, office fundraiser or bake sale to us.

How to fundraise for TAURANGA RIDING FOR THE DISABLED

- Choose an event (fun run, ultra event, bake sale, corporate event)
- Create a fundraising page by visiting www.givealittle.co.nz and searching for Tauranga Riding for the Disabled
